

6 Ways to Save on Vacation Travel

You can save money on your vacation before, during, and after your trip. Take all the time you need to find great deals when planning your vacation and use these tips for additional savings.

01

Join Travel Clubs

Join all the travel clubs that you can find on the Internet. Enjoy savings on food, lodging, transportation, and entertainment.

02

Travel Off Season

When you travel off season, you'll receive the greatest savings on hotels and

03

Check Your Vacation Place

Check with the hotel you're staying at to see if they have discounts on sightseeing options.

04

Stop By Visitor Centers

The visitor center in the area of your vacation will have lots of coupons for savings on your trip.

05

Bring Your Own Food

Eating out can get old, even on vacation. Visit the grocery store for drinks, snacks, and items you can eat for lunch and breakfast.

06

Pay Off Your Vacation Credit Card Charges

When you get home, pay the vacation expenses that you had charged to your credit cards. Every dollar you can pay now saves money in interest and fees.

Make the most of your vacation by saving money while you're having fun.
